TOWER

MANCHESTER COLLEGE

1980

There is a moment
in the autumn of our childhood
when we become aware of the cycles
of our lives.
We learn to recognize
the first breath of spring,
autumn's first leaf turned to fire.
As we grow older,
such thoughts are soon forgotten;
we are concerned
with the details of our everyday lives.
It is only when, at the end of an era,
that we notice
something precious slipping away,
and hope to regain
the child's breathless anticipation
of summer's promise.

1980 TOWER
Manhattanville College
Purchase, NY

Four years is a moment in history

Time is not measured in days and hours, but isolated moments

adid

Each moment adds a new dimension to our history

This period in time compels us to answer life's call.

by saying "yes"

Every moment
we have lived here
is being preserved
as a memory

I WANT YOU

NEAREST RECRUITING STATION

Memories that will linger, unconscious of passing time

Everything today is being stored for the future,
we must live today and remember yesterday because . . .

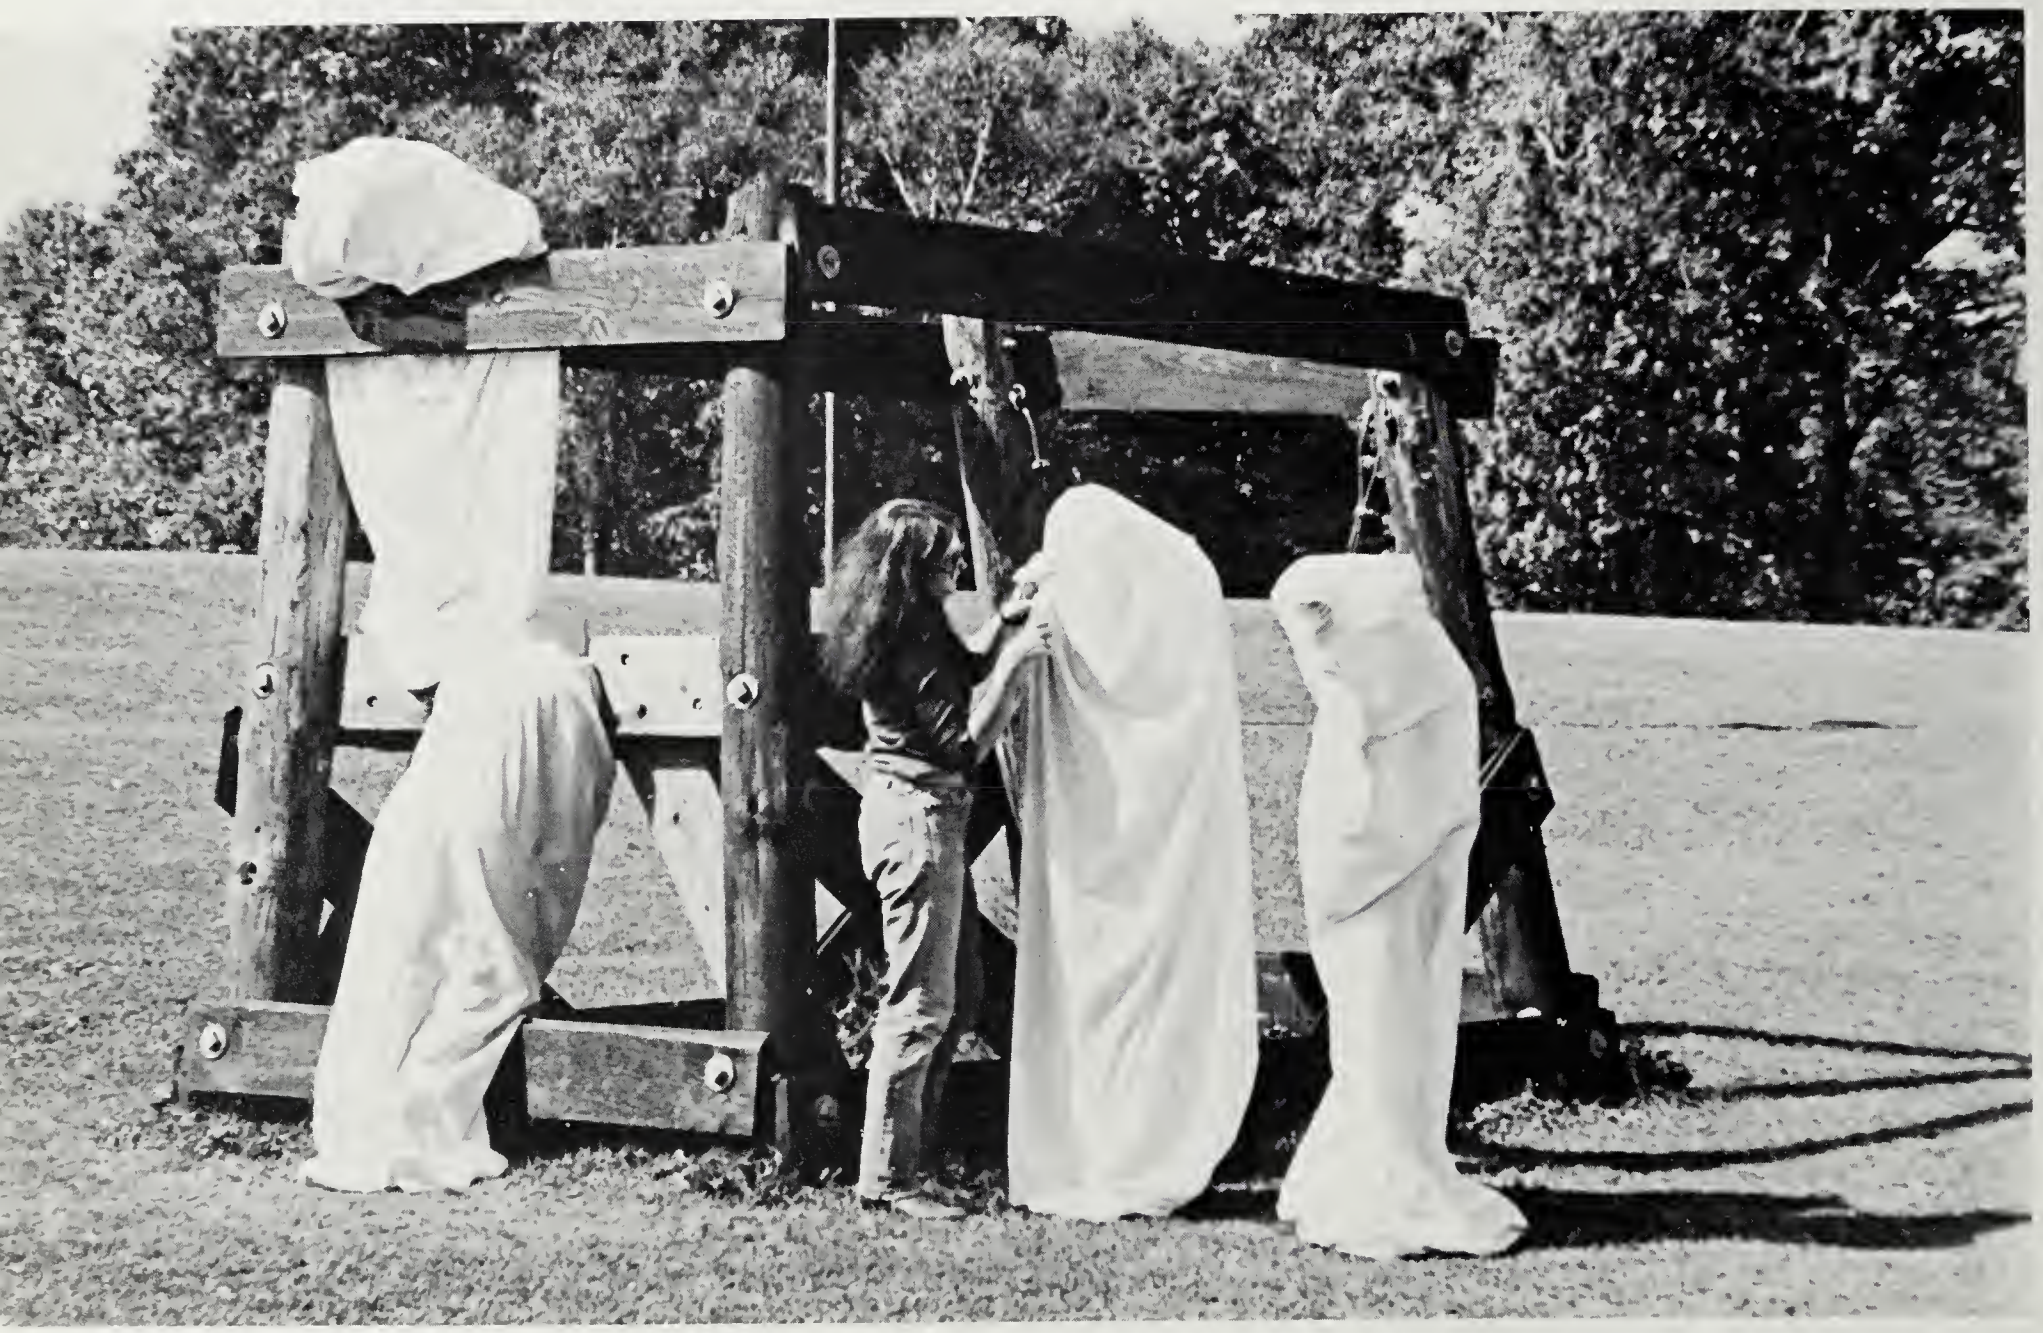

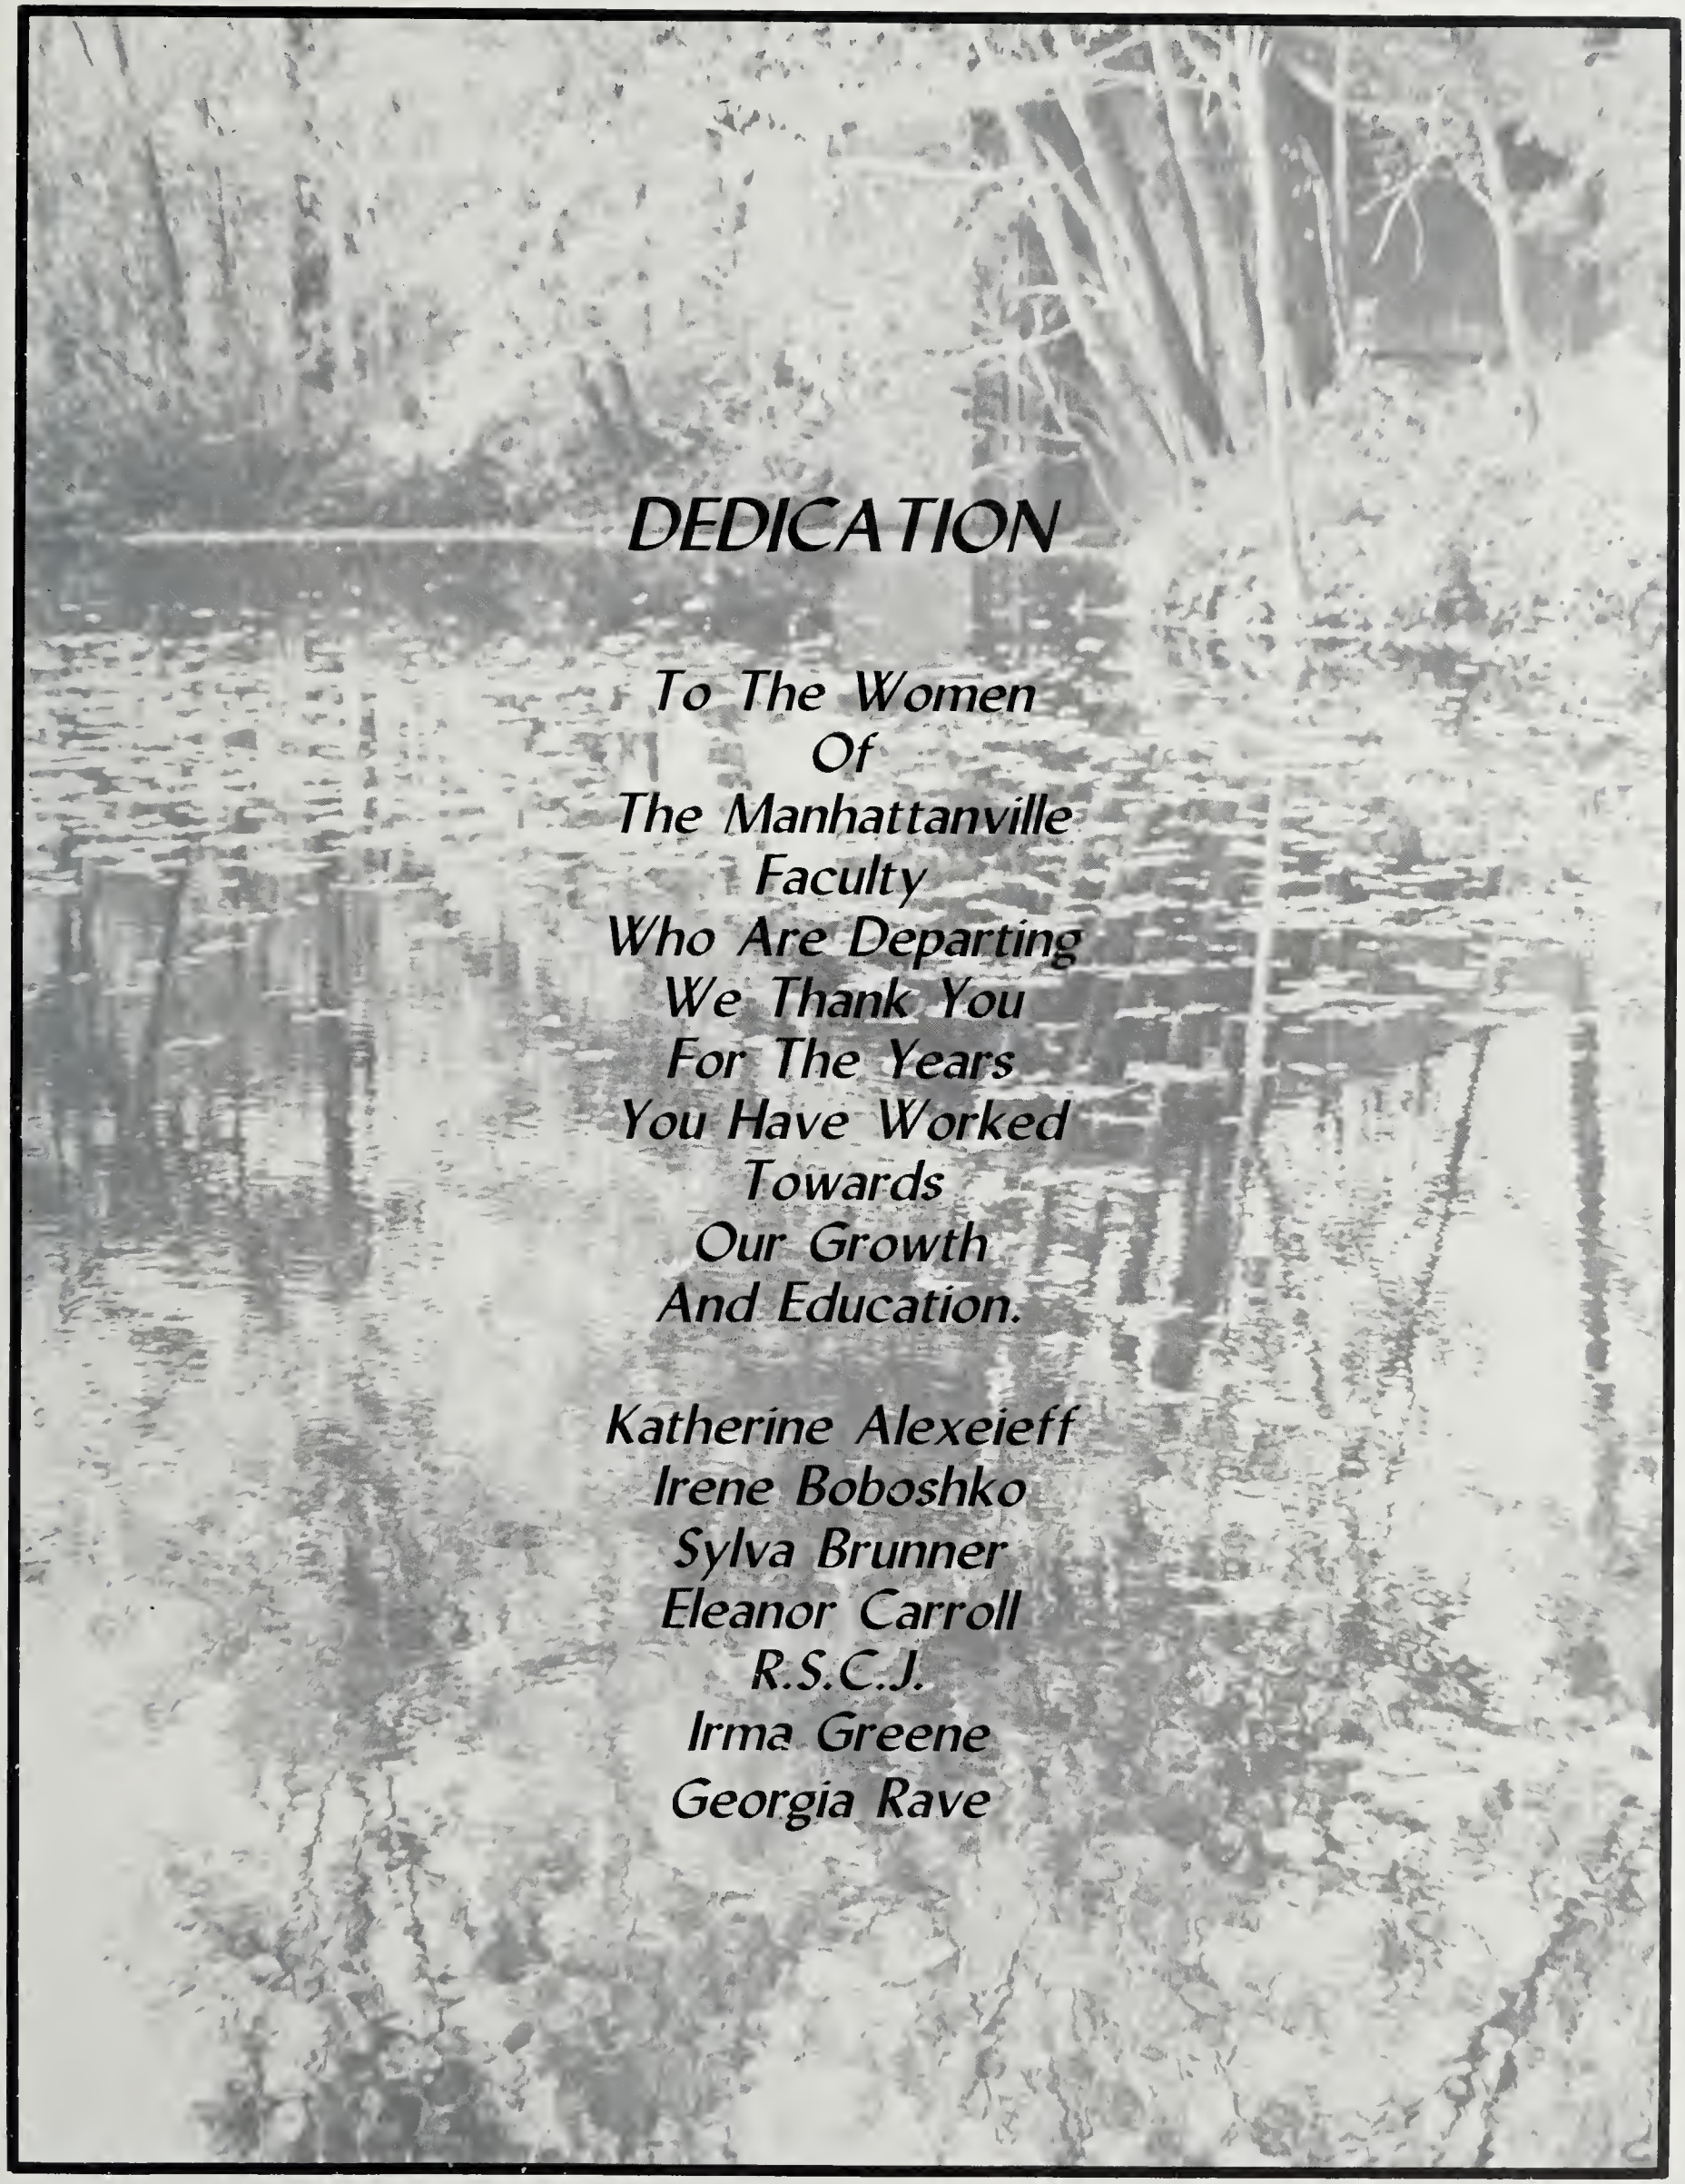

Today may end, but tomorrow will always follow

"MANHATTANVILLE"

Though It Seems Like A Long Four Years
Filled With Laughter And Filled With Fears
When We Leave You Our Eyes Fill With Tears
For Our Manhattanville

Think About It When You're Alone
And You'll See That Wherever You Roam
You Will Not Find A Place Close To Home
As Our Manhattanville

And When We're On Our Way
And We Don't Know Where
Memories We Recall
Will Have Happened There
With The People We've Cared For

So Remember The Words Said Today
Be You Near Us Or Be Far Away
You Will Smile When You Hear Someone Say
The Name Manhattanville.

David Nairne counted on us.

When Dave had open heart surgery not long ago he needed six vital units of blood type O Neg. All of it was obtained processed and provided by the Red Cross blood center.

We're not the heroes of this reserving story. The six wonderful blood donors should get the medals. But we and other voluntary blood centers do need your continued support. Blood, you know, doesn't grow on trees. It comes from donors like you. And we need more people like you. Call your Red Cross or other voluntary blood center soon. Please.

We're counting on you.

Red Cross. **The Good Neighbor.**
